FILE HEADING.

Installation of electric lighting in the quarters occupied by the Staff of the Victoria Hospl, Bangalore

From

The Senior Surgeon

No. 92 Dated 1.7.13 Received 3.7.13.

| Diary No. 110 | Enclos. | Spare Copies. | Serial No. |
|---|---|---|---|

BRIEF ABSTRACT OF LETTER.

Recommends that the matron, the nurses and the Pupil Nurses of the Victoria Hospl, Bangalore who are exempted by G.O no. 9222-5-U dated 13.3.08 from payment for electric lighting supplied to their quarters be exempted also from payment of the cost of installation of electric lights.

NOTES AND ORDERS.

Med 120-07-9

The Chief Engr may, if appd, be consulted unofficially on the following points:—

1. When the electric lights were installed in the quarters in question & at what cost.
2. Whether the cost remains still unadjusted & if so, why.

NOTES—First Sheet.

GPB—35,000—15-6-12

Serial No.

3. Chief Engr's opinion re: the Senior Surgeon's recommendation

Bull
10.7.13.

2 The facts relating to the Electrical installation in the three quarters allotted for the Staff of the Victoria Hospital are as follows:-

The Electrical Installation was carried out in June 1906 by the Chief Electrical Engineer, on the requisition of the Senior Surgeon, even though no provision had been made in the budget for the same. The Chief Electrical Engineer's ~~letter~~ docket from No 1998 dt 20-7-1906 to the Senior Surgeon, however, States an estimate for Rs 2162/- had been Sanctioned by Govt for this purpose. Presumably, the Sanction was accorded in the Public Works Department.

Though the question of payment for power Consumed came up before Govt. twice (please vide Medical file 180 of 1906, and 120 of 1907 put up herewith), the question of adjustment of the initial Cost of the installation did not crop till now.

In G. P. No 2728-30 - Med. 180-66-18 dt 24-9-1907, Govt directed that the

occupants of free quarters should pay for the power Consumed. Vide G. O. No 9222-5-Med 20-07-1909 & 13-3-1908, Govt was pleased to exempt the payment for power consumed, in the Case of the matron, 9 nurses, head nurse, native nurse, and pupil midwives. The Senior Surgeon now wants that the initial cost of the installation with respect to their quarters be paid by Govt from the medical budget. Information is required on the following points:—

(1) What is the Cost of the installation so far as the quarters of these Subordinates are concerned?

(2) Is that amount still unadjusted?

(3) May the amount be borne by Govt?

In this Connection, it will be advisable to ascertain if the Cost of installation as regards the quarters of the other officers of the Victoria Hospital has been adjusted or still remains to be adjusted

Serial No.

Im offl No 112 P.W.D Dated 16th July 1913

4 Returned, with compliments, to the Secretary to Government, General and Revenue Departments, with the following remarks:-

5. The sanction asked for by the Senior Surgeon does not concern the initial cost of electric lights in the quarters referred to, which has been duly paid and adjusted in the accounts of the Public Works Department long ago. It relates to the interest and depreciation charges at 5 per cent of the initial cost payable under Government Order (Public Works) No.914-54/8724-64 dated the 21st September 1911.

6. The installations under reference having been carried out prior to the issue of the rules emobodied in the above quoted Government Order, the charges to be demanded in connection therewith were lost sight of. This omission was brought to notice by the Comptroller, Public Works Branch, in April 1911 and orders were then issued to levy the charges from the 1st July 1911. This has, after some correspondence, led to the present application of the Senior Surgeon.

7. In Government Order No.9222-5/Med.190-07-9 dated the 13th March 1908, the occupants of the quarters referred to were exempted from payment of the charge for the power consumed and the Senior Surgeon was asked to arrange to pay the same from the Medical Budget. On the same analogy, the charges for interest and depreciation may be ordered to be met from the Medical Budget, if Government are disposed to exempt the occupants from payment of same.

For Chief Engineer of Mysore.

*Sir,*

In reply to your docket No.2133 Med 9-13 dated 20th August 1913 calling for certain particulars in regard to the exemption of the nursing staff of the Victoria Hospital from payment of the initial cost of installing electric lights in the quarters occupied by them, I have the honor to state as follows:-

(1) The exact charge, in respect of which exemption was recommended is the interest & depreciation charges on the capital outlay of the electric light installation in the staff quarters of the Victoria Hospital.

(2) The actual amount pending adjustment is Rs.105-9-10 as per statement enclosed.

(3) The subject came up for consideration only in April 1913 when a reference on the subject was received from the Superintending Engineer, Northern Circle, and after due enquiry a recommendation was sent up to Government on the 1st of July 1913. Hence there was no unncessary delay

6

delay in this office.

(4) The charge in question is payable to the Public -- Works Department in accordance with the Government Order referred to in your letter under reply, and the amount may be met from the contingencies of the Victoria Hospital in the current year's Budget.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon, Mysore Government.
